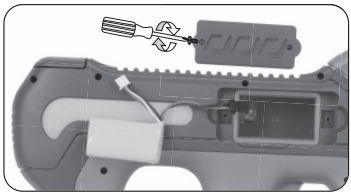
Powerful Water Blaster

Instruction Manual

3+ years

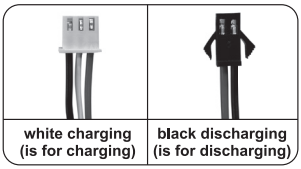
HOW TO INSTALL BATTERY:

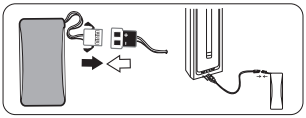
Unscrew the battery cover, install the battery(black connector), then close the battery cover.



HOW TO CHARGE:

A. Loosen the screw to open battery cover.
B. Separate the rechargeable battery from connector.
C. Connect the USB charging cable with white connector on rechargeable battery/first (the battery connector will only fit in one way, do not force the connectors together), then plug the large end of the USB cable into a 5Vd.c. 2A charger (not supplied) or USB port. The green LED light on the USB charging will light up and the red LED light will flash when charging.
D. The green LED light extinguishes and the red LED light will light up and will be solid after it has finished charging. Disconnect the USB charging cable from the USB port and then disconnect the rechargeable battery with USB charging cable.





HOW TO PLAY:
