Fitness Tracking Band Operating Instructions

Please read this manual carefully before using this product and retain for future reference.

- Includes:
- › 1 x Fitness Tracking Band
 - › 1 x Instruction manual
 - › 1 x USB magnetic charging cable

K: 43722662 | T: 72791714
Model: JLR-81986

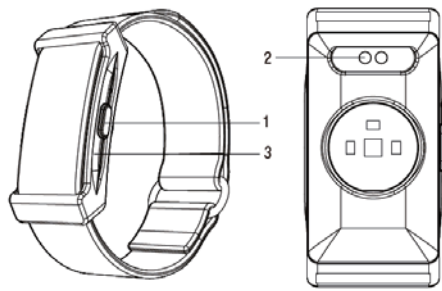

Product Specifications:

- Input rating: 5V – 500mA
Bluetooth version: 5.4
APP: FitPro2
Dustproof and Waterproof: IP68
Charging time: Approx. 2 hours
Battery capacity: 3.7V, 180mAh rechargeable
lithium-ion battery (non-replaceable)

Important Safety Information:

- › This product contains a rechargeable lithium-ion battery (non-replaceable).
- › Do not leave the device connected to the charger for extended periods.
- › Avoid exposing the device to high temperatures or direct sunlight for prolonged periods.
- › Do not allow the battery to fully discharge before recharging.
- › Do not disassemble, crush, puncture, or modify the battery or device.
- › Handle with care and avoid strong impacts or dropping.
- › Do not leave the device unattended while charging.
- › Keep the device away from water, moisture, or other liquids.

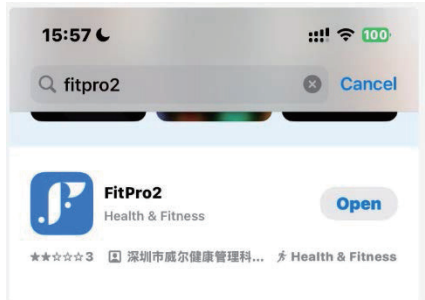

Product diagram:

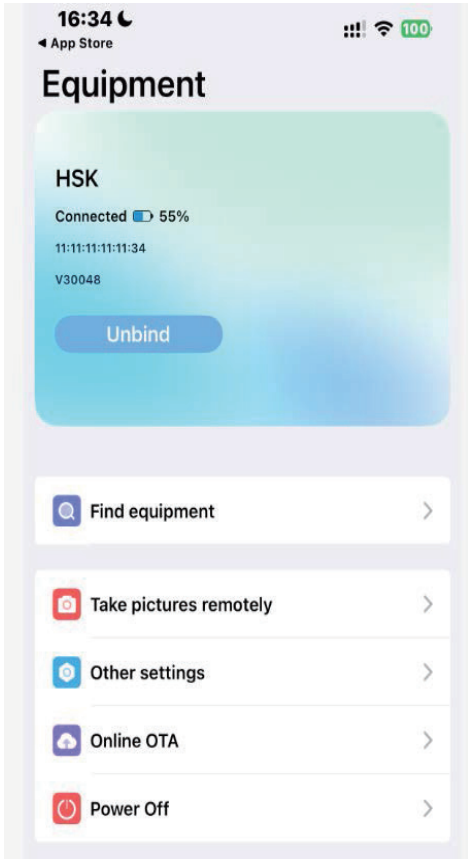

1. Power ON/OFF button
2. USB magnetic charging Port
3. LED Indicator light

Operating Instructions:

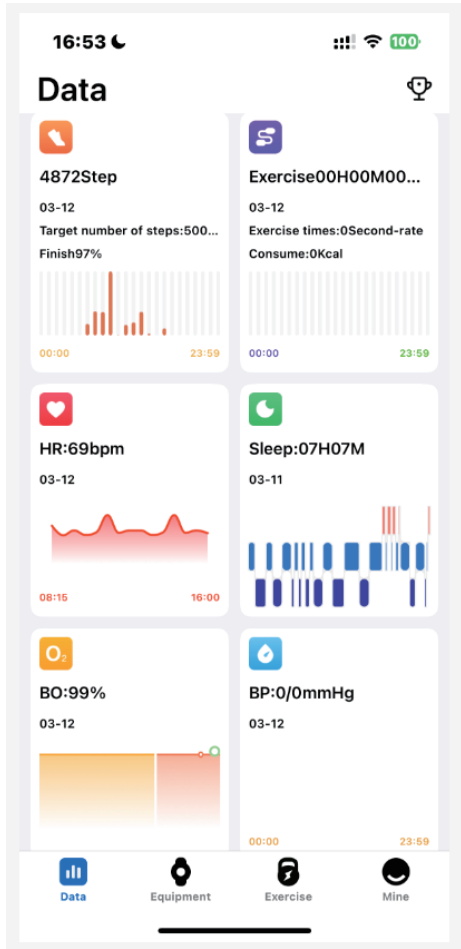

1. Search for "Fitpro2" in the Apple App Store or Android app marketplace and click to download.
Note: The following screenshot images of the APP are for reference only. The actual images should be taken as the standard.

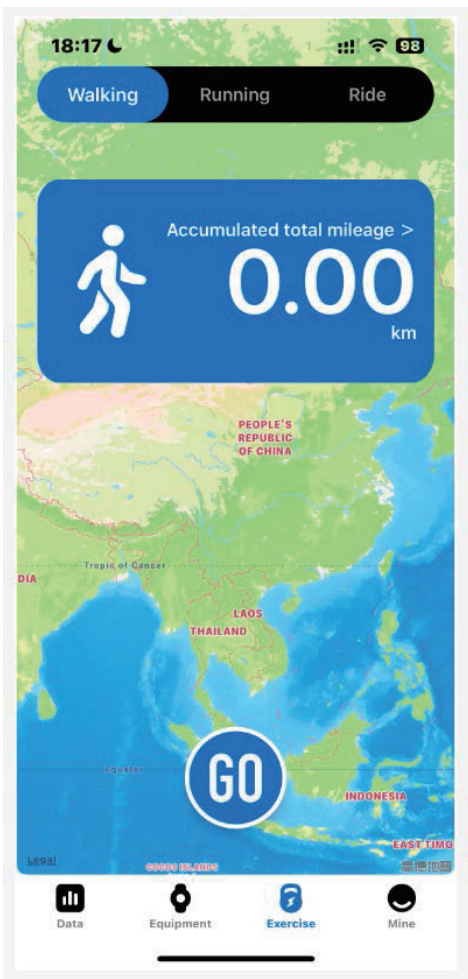

2. Open the APP, go to the "equipment", click "+" search for the fitness tracking band Bluetooth name "KM43722662," and click to connect. On this page, you can configure features such as Take pictures remotely, Other settings, Online OTA and Power Off.

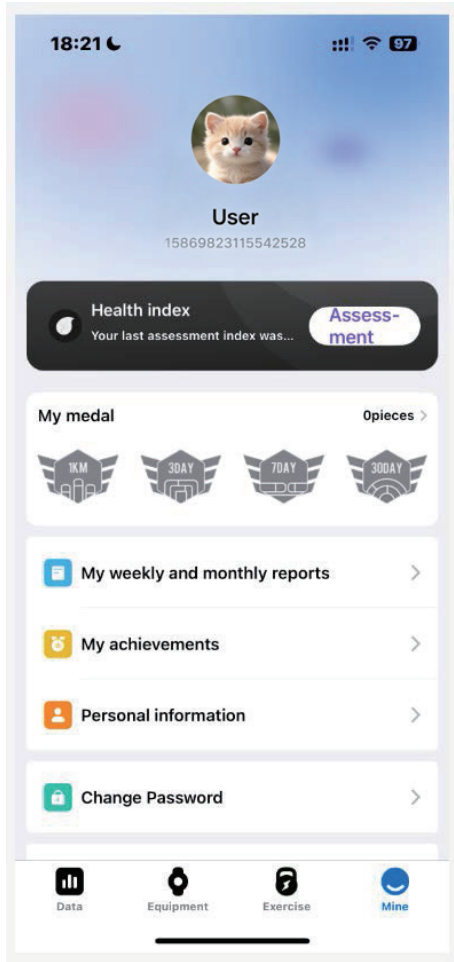

3. On the data page, you can see data such as Step, Exercise, HR, Sleep, BO, BP, Weight, Water intake, and Health habits. Click on "HR" or "BO" or "BP" to perform the test and obtain data.

4. On the "Exercise" interface, data recording functions such as "Walking", "Running", and "Ride" can be enabled.

5. In "Mine" interface, click "Health index" to review your healthy report. You can see other data such as My weekly and monthly, My achievements, Personal information, and other access software information.

Power-on & Power-off Operation

1. Power-On/Off : Long press 3S the power button
2. Connection status: green and red lights flashes indicate the device is ready to connect; the indicator light turns off after successful connection
3. Auto power off : If there is no connection within 3 minutes, the device enters a sleep mode, short press to activate and enter into pairing mode, or long press for 3 seconds to power off.

Health & Activity Tracking:

Heart Rate Monitoring
The band automatically tracks your heart rate 24/7.

Sleep Tracking

1. Wear the band while sleeping. It will automatically detect your sleep stages and generate a sleep report in the app the next morning.
2. The report includes total sleep time, time spent in light/deep/REM sleep, and sleep quality scores.

Sports Modes

1. Open the Fitpro2 app → "Exercise" → Select a sport mode (e.g., Outdoor Run).
2. Start the workout from the app.
3. End the workout in the app; the data will be synced to your fitness report.

Bluetooth Connection and Reconnection:

- Step 1: Prepare the Device
- › Power on the Fitness Tracking Band: Long press the button for 3 seconds to power on
 - › Enable Bluetooth on your smartphone (iOS/Android).

Step 2: Connect via App

1. Open the Fitpro2 app and log in to your account.
2. Tap Add Device → Select Fitness Tracking Band from the device list.
3. Confirm the pairing request on both your phone and the band
4. Once paired, the device will appear in the app's device list with a "Connected" status.

Note: After initial pairing, the band will automatically reconnect to your phone.

How to Charge:

1. Before first use, please fully charge the band.
2. Use a certified 5V/1A USB magnetic charging cable. Only use the supplied charging cable.
3. Regularly charge the device (at least once a month) to maintain battery life. Prolonged storage at low charge may reduce battery performance.
4. The indicator remains red during charging and turns off once fully charged.
5. It takes approximate 2 hours to fully charge the product.

Maintenance & Care:

- Cleaning:** Wipe the band and sensor with a soft, damp cloth. Avoid using harsh chemicals or alcohol.
- Strap Care:** The nylon strap is washable. Remove it from the main unit before washing and let it air dry completely.
- Avoid Extreme Conditions:** Do not expose the band to high temperatures, direct sunlight for prolonged periods, or strong chemicals.
- Battery Care:** Charge the band at least once every 3 months if not in use to maintain battery health.

Trouble shooting:

Issue	Solution
Cannot pair with phone	1. Ensure Bluetooth® is enabled. 2. Restart the band and app. 3. Keep the band within 10m of your phone. 4. If you have connected the band before, please ignore Bluetooth® list first and reconnect from the app.
Inaccurate readings	1. Wear the band snugly. 2. Clean the sensor area. 3. Calibrate the device in the app.

12 Month Warranty

Thank you for your purchase.

Your new product is warrantied to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law.

For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

We will provide you with your choice of a refund, repair (where possible) or exchange (availability dependent) for this product if it becomes defective within the warranty period. The business will bear the reasonable expense of claiming the warranty.

This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre as listed below, for the entity you purchased this product from, for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to the respective Customer Service Centre.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
