

FOLDEE™

INSTRUCTION MANUAL

UNICORN

DINOSAUR

Mookie

WARNING!

- Not to be used by children over 36 months due to insufficient strength.
- Not to be used by a child over 20kgs.

SAFETY INFORMATION

- Using this product could result in injury unless proper safety precautions are taken.
- Read and understand the enclosed owners manual before letting children use this product.
- Safety equipment such as a helmet is recommended.
- Direct adult supervision required at all times.
- Use only in controlled environments free of potential traffic hazards and not on public streets.
- Child must maintain a hold on the handlebars at all times.
- NEVER allow more than one child at a time to ride the product.
- NEVER use near steps, sloped driveways, hills, roadways, alleys, or swimming pool areas.
- This toy has no brakes.
- Keep fingers and other body parts away from the product when folding or unfolding. Adult must not allow children to assist in folding or unfolding of the product.
- The product is not recommended for children under 12 months old.

Failure to use common sense and heed the above warnings presents and enhances risks or serious injury.

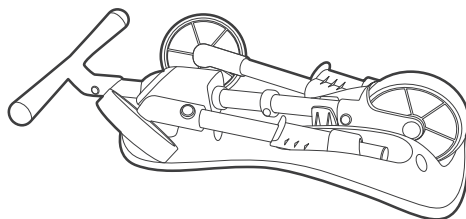

CARE AND MAINTENANCE

- Regularly check bolts, nuts and screws to ensure they are tight.
- Keep your product clean. Wipe with a damp cloth to remove dust and dirt.
- Do not leave your product outside. Store indoors when not in use.
- Discontinue use of the product if any faults or problems occur.

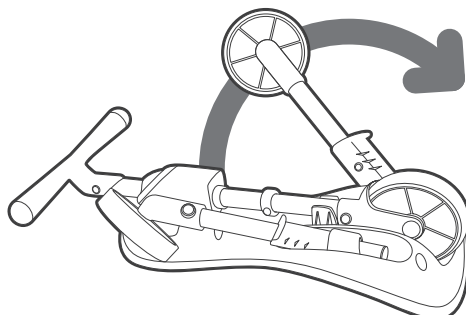

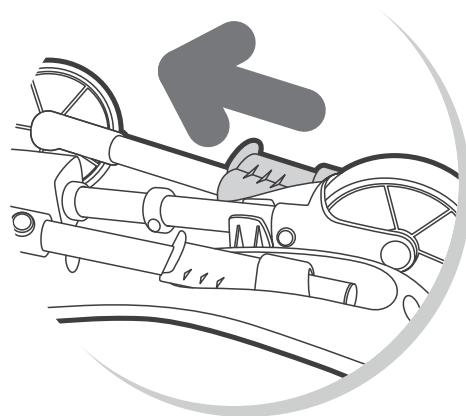

UNFOLDING FOLDEE™

The Foldee™ is packaged in the folded position.

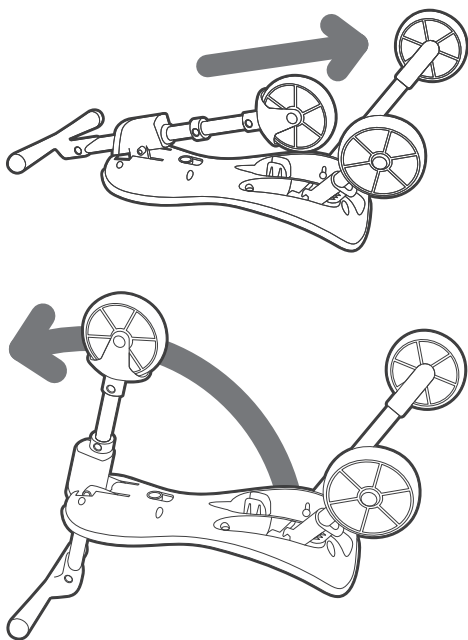

Unfold the rear wheel by pulling rear sleeve towards the wheel (as shown by arrow on moulding) to release it from the locked position. Pull outwards (in direction of arrow) until it locks into place. Repeat for other rear wheel.

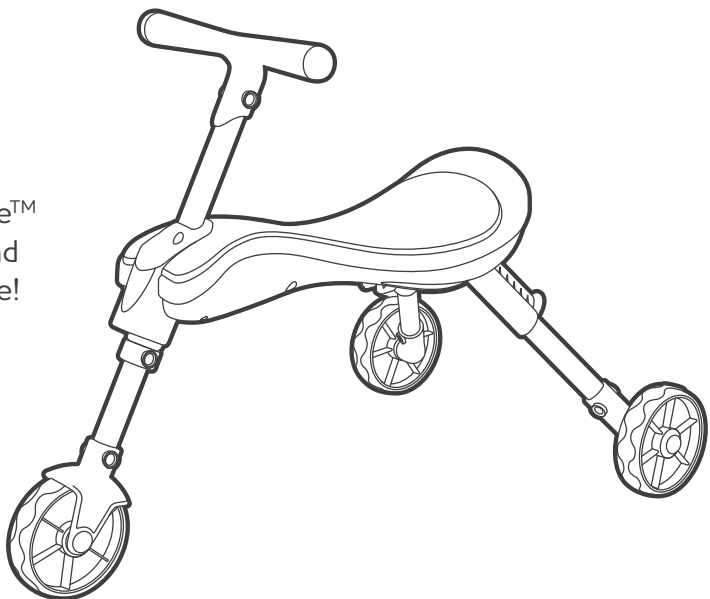

3

Hold the front wheel and pull out to release from plastic clasp. Pull forward (in direction of arrow) until it locks into place.

4

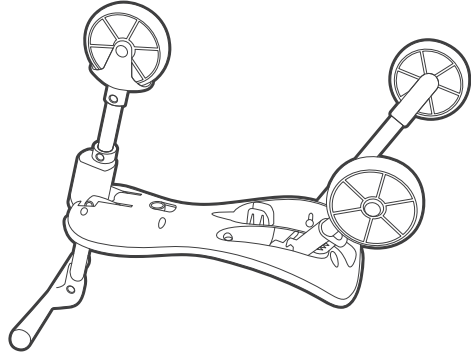

Place the Foldee™ on its wheels and it is ready to ride!

FOLDING FOLDEE™

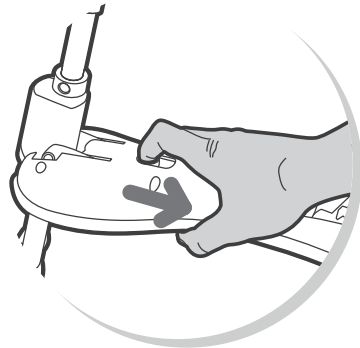

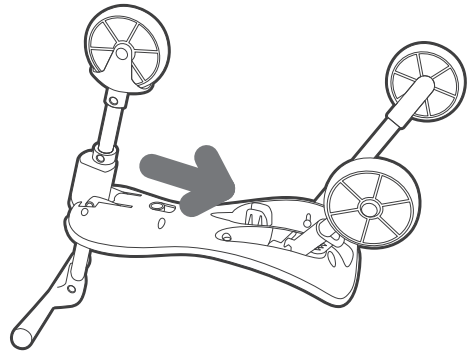

1

Place Foldee™ on the floor as indicated.

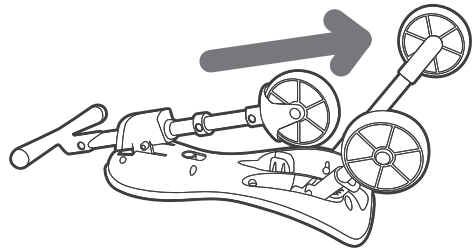

2

Locate the circular lever on the underside of Foldee™, pull back (in direction of arrow) to unlock and release front wheel stem.

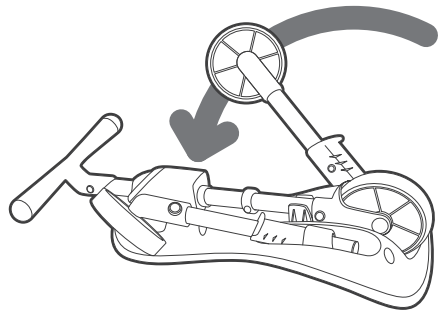

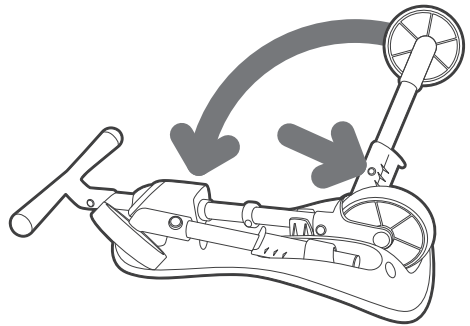

3

Fold the front wheel stem down into the underbody. Pull wheel to extend and slot into the clasp.

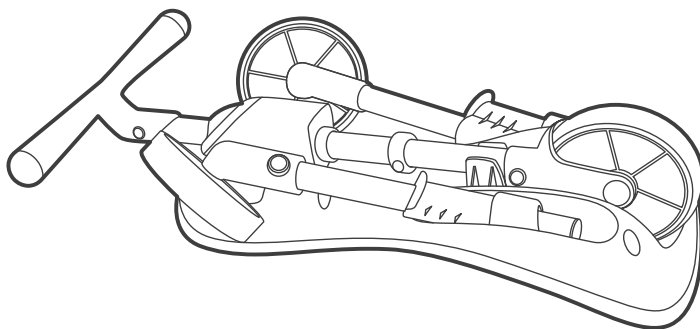

4

Fold the rear wheel by using your finger to press down the spring loaded button on the inside of the sleeve. Once fully compressed, maintain pressure on the button and slide the sleeve outwards (in direction of the arrow shown on the rear of the sleeve) to release it from the locked position. Fold inwards (in direction of the arrow shown in the diagram) until the rear locks into place.

Repeat for other rear wheel.

5

The Foldee™ is now
ready for storage.

Thank you!
