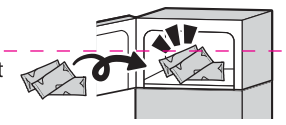
IMPORTANT
- Upon opening Slushy Maker package, the reusable freezer packets may be moist. This is normal as condensation may form during shipment temperature changes.
- **IMPORTANT – NOT EDIBLE.** Do NOT cut, open, or ingest the freezer packs. Freezer packs are NOT food or drink. Use only as instructed: place packs sealed and intact inside the cup. If contents are swallowed, seek medical advice immediately.

TIPS
- Wash before and after use with dishwashing detergent and dry thoroughly.
- Put back reusable freezer packets into the freezer after use.
- Use cold beverages for faster and better results.

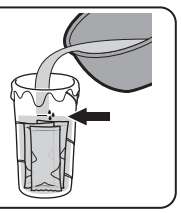
CAUTION
- Always use under adult supervision.
- Do not wash the parts in the dishwasher as they may become deformed.
- Do not sterilise by boiling.
- Do not place near fire.
- Do not use in microwave.

HOW TO MAKE THE BEST SLUSHIES!

1. Put the reusable freezer packets into freezer until they are frozen. It takes about 8-9 hours (or overnight) in most freezers.



2. Once frozen, put all 3 frozen packets into Slushy Maker cup and pour in your favourite COLD drink to the fill line.

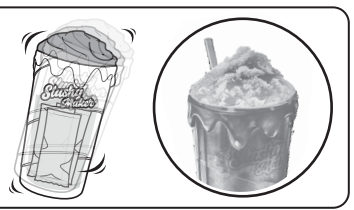


3. Screw on the lid, make sure the lid is tightly secure. Place your finger over the hole on the lid and shake for 3-5 minutes.

Note: FOR SODA AND CARBONATED DRINKS, LIFT YOUR FINGER OFF THE HOLE EVERY 2-3 SHAKES TO RELEASE SOME PRESSURE.

4. Continue shaking until your drink has become slushy.

WARNING: PLEASE REMOVE FREEZER PACKETS BEFORE CONSUMING.



CLEANING & CARE

- Slushy maker is NOT dishwasher safe.
- Hand wash. Let air dry.
- After use, thoroughly wash the packets and store them in the freezer to extend product life.
