

Product Safety Recall

Do you own this product?

Mattel Pty Ltd — Tissue box toy sold with Fisher-Price®3-in-1 SnugaPuppy™ Activity Center

Tissue box toy component of 3-in-1 activity centre.

Model: HLV78

Dates sold: 1 December 2022 – 30 September 2023

Why the product is recalled: The detachable tissue box toy can come apart, exposing the small support brackets to young children.

Hazard: There is a risk of serious injury or death by choking if the child places the small parts in their mouth.

Two reports worldwide of the tissue box toy coming apart have been received. No incidents have occurred in Australia. No injuries have been reported.

1. Remove the tissue box toy from the activity centre immediately and place out of reach of children.
2. Contact Mattel Consumer Relations for information on how to return the tissue box and receive a free replacement toy for the activity centre.

Ask our staff to find out more about the recall.
