PO#: TA-1988600, TA-1993331

Sold exclusively through Target nationally

Sold from 30 September 2019 to 21 February 2020

**Defect:** The strollers may have been installed with a faulty rear axle that has deeper grooves on each side of the wheels.

**Hazard:** The rear axle may snap at the wheels' position and cause the stroller to fall, posing a risk of injury to the child.

**What to do:** Consumers with affected products should cease using the product and contact CNP Brands to arrange a replacement rear axle and wheels to be sent out with installation instructions, or to arrange to have the stroller repaired.

**Contact:** For more information, contact CNP Brands via their website at <http://www.safetymatterscnp.com.au/>, by phone on 1800 656 743 (Monday - Friday, 8:30am - 6:30pm AEST) or via email at [productsafety@cnpbrands.com.au](mailto:productsafety@cnpbrands.com.au).

**See [productsafety.gov.au](http://productsafety.gov.au) for  
Australian product recall information**
