

# Product Safety Recall

## ANKO Chick Silicone Teether Sold at Kmart and Target

Kmart 43549351  
Target 70985030

### Reason the product is recalled:

The product may not comply with the mandatory standard for toys for children up to and including 36 months of age. Small parts may separate from the teether and become a choking hazard.

### The hazards to consumers:

Risk of serious injury or death from choking if children swallow small loose silicone components.

### What consumers should do:

- Stop using the product immediately and keep out of reach from children.
- Thoroughly check the surrounding area for loose silicone pieces, remove and dispose of them.
- Return the product to the place of purchase for a full refund.
- Contact the place of purchase if you are unable to return the product or have sold or gifted it to another person.
